March 27, 2020

Dear Viper families.

We hope this letter finds our families healthy, safe and sound. Know that we are missing our weekly interactions with students, colleagues and family members. In an attempt to stay connected with our Viper families, staff have shared video messages and virtual engagement activities on Facebook. We look forward to the daily responses and staying connected with our Vipers. Keep posting! If you are interested in staying connected with us through this social media platform, follow us on our Valleyview Facebook page.

KPDSB is currently developing an academic plan for all KP students and asking for our continued patience as they work to consolidate a plan to be rolled out with teaching staff in the near future. In the meantime, families looking for education resources are encouraged to visit the [Learn At Home](#) online resource produced by the Ontario Ministry of Education. In addition to this resource, families can also find approved education resources on the [KPDSB Website](#). To be consistent with providing learning resources to our students, we encourage KP families to pull resources from these websites until the roll out of the KPDSB academic plan coming soon.

Over the next few weeks, personnel from the school board will continue to communicate information with all families by email. If you have not been receiving emails, please update your contact information by leaving a phone message on our VVPS answering machine (548-4205) or by connecting with us by email at vv.adminassistant@kpdsb.ca. It is very important we have accurate information because our teachers will be reaching out and checking in with parents over the next few days. Parents are encouraged to check the KPDSB website (www.kpdsb.on.ca) for daily updates.

We are currently in the process of refunding March 23rd - April 30th hot lunch and milk orders. Please be patient with us as we provide our admin assistants with working from home technology. The continuation of the hot lunch and milk program for the remainder of the school year is under review. We will keep you informed of next steps.

We have communicated with the School Council Chair to figure out a plan for the April 30th Valleyview Vacation Draw. Please store your tickets and money in a safe place. Information regarding the draw will be shared with families in the near future.

Staff have planned another virtual Viper Spirit Week for next week and we look forward to your participation. Please take care of yourselves, stay well and keep safe!

Sincerely,

The VVPS Admin Team
